Mr. Chandrachar explained to the Committee that up to date a sum of Rs. 71,629-12-7, was at the credit of the Central Flood Relief Committee including accrued interest (after affording relief to 8,503 persons to the extent of Rs. 69,826) and that this amount had been invested as a Fixed Deposit in the Bank of Mysore. He stated that at the beginning of July 1927, when the deposits would mature, the amount at the credit of the Fund would come to about Rs. 73,500, excluding the expenditure of Rs. 592-8-0, incurred since 1st April 1926. He suggested that Rs. 70,000, may be kept as corpus of the Fund and the remaining Rs. 3,500, be reserved for urgent expenditure.

The following resolutions were passed by the Committee after some discussion :—

Resolution No. 1.

Sir K. P. Puttanna Chetty moved that the following resolution passed at a former meeting of the Committee be confirmed with the modification that the amount to be kept as Corpus of the Fund be altered to Rs. 70,000 instead of Rs. 65,000.

" Resolved that the balance of about Rs. 65,000, be constituted into a fund to be invested in approved securities and that the interest on the said sum be made available for the relief of poor people in emergencies of distress caused by floods, fire, famine or other causes in any part of the Mysore State and not falling within the purview of Government. The amounts unutilized in any year may be added on to the corpus of the fund. If, however, owing to emergencies, a larger expenditure than the annual accretions of money is required, the trustees may draw the accumulated interest of the previous years without however trenching on the corpus of the fund. For the management of this fund there may be a Board of Trustees consisting of five members to be nominated by Government, two of them being Officers of Government and three Non-Official gentlemen to be in office for a period of five years at a time, casual vacancies being however filled up for the rest of the term. An annual report of the transactions of the Board may be published in the *Mysore Gazette*, and in the local newspapers. This fund may be styled "The Mysore Distress Relief Fund."

Mr. B. K. Garudachar seconded the motion.

This was carried unanimously.

Resolution No. 2.

Mr. B. K. Garudachar moved that out of the remaining Rs. 3,500, Rs.1,500 may be placed at the disposal of the Deputy Commissioner, Shimoga District, for affording relief to the sufferers in the accidental fire which broke out in Shimoga Town in January last, Rs. 1,500 granted to the President, District Board, Hassan, for reconstructing Ramanathpur Village in Arkalgud Taluk and Rs. 500 to the Deputy Commissioner, Bangalore District, for affording relief in a case of accidental fire in Kengeri Village and that the expenditure of Rs. 592-8-0 incurred by him as stated above be approved.
